

Train Party 2007

Dear Paragon Residents,

Following the huge success of the Summer BBQ, we are hoping that "next years" train party gets the year off to another great start.

The "Train Party" is a great night (not only as a result of seeing Ian act as "Fat controller" and blowing his whistle!!) and a suitable way to end the Christmas and New Year festivities and pro-long the onset of "February Blues".

The event is a unique neighbourhood party, which really only works as a result of being such a close-knit community. Basically, we need the occupiers of at least 5 flats / cottages / houses / pepperpots to volunteer their hospitality and homes as a "station" just for 45 minutes. We'll kick off at 7 by meeting in one of the "stations" for some drinks, and after 45 minutes the whistle will be blown, and we'll move onto the next "station" on the route for more of the same or something different!!.....and so on until the last station (or passengers) shut down.

The date is [Friday 26th January 2007](#) and I'd be grateful if you could confirm to me by phone 07970 662506, e-mail: Elizabeth.Simkin@cliffordchance.com, or a note in No.44's Box if you'll be attending so that the various stations can cater accordingly. In addition please can you let me know if you will be happy for us to "chug" through your home. It is for only 45 minutes and really requires very little effort..... and its always a great opportunity to show off your home / building site(!). Please let me know if you would like more details about what is involved in hosting / attending (I've done both!!)

I look forward to hearing from you - in the mean time have a wonderful Christmas and New Year.

Lizzie
